Give my best to Chris. It was super seeing him last week. Really good guy and the Navy is lucky to have him. As for the borders I will be relentless in my on-going advocacy. Have a nice week.

Michael – Thanks for your prompt follow-up!! I thought the format and substance of the ½ session was very worthwhile . The Navy appreciates what EPA is doing on this very important issue! MK

Mary Kay,

It was really a pleasure to have met you yesterday. I will continue to do everything in my capacity to see the transboundary sewage issue dealt with. Give me a call or drop me an email anytime I can be of assistance to you.

Best regards,
